

## SPECIAL OFFER FOR FEBRUARY & MARCH 2017

Dr. Justin Hunter, D.C. from Pure Health and Wellness would like to present the management, staff, and clientele of Athleta with a very special offer on our Custom Purification Program!

### Why Do We Need Purification?

Purification, also known as detoxification, can help remove natural toxins from your body and maintain a healthy weight. We are exposed to external toxins such as pollutants, pesticides, and chemicals on a daily basis. Although your body is designed to rid itself of these toxins naturally, it can become overburdened. Purification offers your body additional support to expel natural toxins and minimize your weight, which is important to maintaining health and vitality.

### Toxins can contribute to a wide variety of conditions:

- Weight Gain
- Stuffy Head
- Fatigue & Difficulty Sleeping
- Digestive Issues
- Reduced Mental Clarity
- Low Libido

### What is unique about Dr. Hunter's Program?

- Customized for Each Individual
- Doctor Supervised Throughout the Entire Process
- Accountability & Support During the Program
- Easy Ways to Change Your Diet

Pure Health and Wellness would love to help you achieve your
